**Re: Volume 5: Supplemental Information Request NO. 2-VCI Responses
Value Creation Inc. Advanced TriStar (ATS) Commercial SAGD Project
OCSA Application NO. 1740129
EPEA Application NO. 001-309437**

Dear Mr. MacPherson:

Value Creation Inc. (VCI) has prepared responses for the second set of Supplemental Information Requests (SIR's) received from the AER on November 14, 2014.

Attached is an Adobe PDF file that is unlocked, text searchable and includes hyperlinks for you review. If you have any questions, please contact the undersigned at 403 539-4500 or Karen.cresine@vctek.com.

Sincerely,

Karen Cresine,
Environmental, Regulatory Affairs and Stakeholder Lead, Acting HS Lead
